DESCRIPTION

Siduri's Willamette Valley Pinot Noir comes from vineyards in three distinctive appellations. Grapes from the cool Chehalem Mountains lend fresh, bright acidity; Yamhill-Carlton brings muscular tannins and the Eola-Amity supplies lush, layers of red, black, and blue fruits. Hints of coffee, dark chocolate and aromatic spices highlight the fruit.

***** Tasting Notes

This red wine offers aromas of cranberry, sage and boysenberry. Bright, fresh acidity hits the palate with flavors of red plum and tea leaf. Juicy, modest texture in the mid-palate with delicate tannins.
